Re: Girls Division Passcards for Spring 2009

The passcards for the Girls division teams (both players and coaches) this season were laminated without the required MYSL Commissioner's Stamp. Therefore please use the following criteria when looking at a passcard for these teams during the Spring 2009 Season:

Girls Divisions passcards must contain the following:

1. The Player's Picture
2. The Player's Identification Including:
 - a. Name,
 - b. Town,
 - c. Birth date
 - d. State
3. The Orange "09 MYSL Registrar" Sticker
4. All of the above must be included inside the clear card lamination.

This exception to the normal MYSL passcard requirements is valid for girls teams only and only for the Spring 2009 Season

Thank you for your assistance implementing this.
